PARENT PAYMENT ARRANGEMENTS 2024

Dear Parent/Guardian,

Watsonia North Primary is looking forward to another great year of teaching and learning and would like to advise you of Watsonia North Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all of your support, whether through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to:

- Continue to offer high-quality programs and provide subject-specific materials and equipment for English, Mathematics, Science, Art, Music, Inquiry, Language and Physical Education
- Maintain and develop our school grounds for students' benefit, e.g. play equipment, play areas
- Maintain and upgrade our computer resources/devices to enable our students to have access to the benefits of current information technology
- Provide sufficient numbers of up-to-date books for students to develop their reading skills
- Provide high-quality Mathematics teaching equipment, i.e. class sets of measurement materials and software
- Providing a range of Literacy and Mathematics digital and online subscriptions
- Provide a wide range of sporting equipment necessary for the Sport and Physical Education Program
- Provide resources to implement innovative teaching and learning programs
- Provide effective care and First Aid program for all students

Watsonia North Primary School offers a range of items and activities that enhance or broaden students' schooling experience and are above and beyond what the school provides to deliver the curriculum. These are provided on a user-pays basis. These items/activities such as camps, incursions, excursions, sports and school photos are provided on a user-pays basis. Associated costs are published on Compass termly or before a specific event, where parents provide payment and consent. For our Prep cohort, we estimate this to be approximately **\$230?** per child for 2024.

Financial Support for Families

Watsonia North Primary understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund.
Families holding a valid, means-tested concession card are eligible for the Camps, Sports and Excursions Fund (CSEF) that provides payments for eligible students to attend Extra-Curricular (OPTIONAL) Items and Activities.
The CSEF is an annual payment to the school to be used towards camps and term expenses (incursions, excursions & events) for the benefit of the eligible student - 2024 primary school student rate is \$150.
